- b) It is intended to give a time check on VHF (Channel 72 [preferred] or Channel 77 [back-up]) at 30 minutes before the first expected start. This will normally be GPS time; however, in the event of discrepancy, the time announced by the RC will take priority.
- c) Starts will use a 5-4-1-go sequence. Anticipated times are shown in Appendix A.
- d) Changes to anticipated start times will if possible be notified via SMS or email by 2000 on the evening before the race and will be announced on VHF after the time check and at 20 and 15 minutes before the first start.
- e) Starting signals and recalls will be made on VHF and not signalled visually, changing RRS 26, 29 and 30.
- f) If conditions are unsuitable for the planned start, boats may be directed to motor in the direction of the course at a speed of not less than 5.5 knots and must try to stay together. The race may start at any time using the Committee Start Boat procedures specified in the General Sailing Instructions.

4 COURSE

- a) It is intended to send the course via SMS, if possible by 2000 on the evening before the race, and to confirm it on VHF after the time check. In exceptional circumstances, the course may differ from that given out the previous evening.
- b) The course is expected to be Race 1: Solent - Weymouth; Race 2: Weymouth - Solent, as detailed in Appendix A.
- c) Alternative courses appropriate to the weather conditions may be set. The courses may use any of:
 - Standard navigation marks in the central English Channel
 - Marks from the SCRA Solent Mark Designations dated 07 Feb 2025 (see <https://www.scra.org.uk/solent-marks/solent-marks2>)
 - Virtual waypoints as specified in the course announcement. World Sailing guidance on Racing Around Waypoints Version 2.0 dated January 2025 will apply. This document may be found at:

Boats shall ensure they carry charting and pilotage information sufficient to cover possible alternatives.

- d) Competitors are reminded that:
 - if any mark of the course is missing, it should be regarded as a virtual waypoint in its charted position
 - all traffic separation schemes rank as obstructions
 - all marks are rounding marks unless otherwise stated

5 FINISHING AND SHORTENING COURSE

- a) The finish will be as in Appendix A or as otherwise announced with the course.
- b) There is no time limit.
- c) Competitors must take their own finish time in hours, minutes and seconds.
- d) Amending RRS 32.2, 'SORC RACE CONTROL' or a nominated competitor may shorten the course by announcement on VHF identifying the new finish mark and bearing. In this event, take your own time when the finish mark is at the required bearing.
- e) You are reminded that bearings are taken from the normal helming position.
