

	Notice of Race Amendment 1 Version date: 08 September 2026
--	---

BACKGROUND

This amendment is written following the re-scheduling of SORC Offshore Race 6. It is intended that the re-scheduled race will be a long day race lasting up to 10 h and both starting and finishing in the vicinity of Cowes, taking place on 26 September (backup 27 September). Since the planned rescheduled race is consistent with WS Special Regulations criteria for Category 3, it is considered that a life-raft is not mandated.

Nonetheless, competitors are reminded of the terms of the Risk Statement, with particular regard to Rule 3 of the Racing Rules of Sailing, which states: “The responsibility for a boat’s decision to participate in a race or to continue racing is hers alone.” and that “Their boat is in good order, equipped to sail in the event and they are fit to participate”.
